Important repair instructions from CCV GmbH:

Please fill out the service order and attach it, fully completed, to the delivery.

Missing information regarding the network operation may increase the processing time. For repairs, please attach an informative fault description for each individual device. Do not send any accessories, only the faulty device.

If you are sending multiple devices at the same time and want to order different servicing work, please send them in separate packing units and attach separate service orders.

Please note that the service options refurbishment, brush-up, battery replacement and supplementary package, where selected, are never covered by a guarantee. CCV GmbH bills for these service options in accordance with the applicable repair terms and conditions from CCV GmbH.

The CCV GmbH T&C applies.

Please make a note of the serial number of devices sent for later enquiries.

Your data will only be used to process your request by CCV GmbH. There is no transfer to third parties. By submitting this form, you hereby agree. Certainly, you can revoke your compliance at any time for the future.
